

Paderno Dugnano, 6th April 2020

Re: Coronavirus

Framesi grants the request to cooperate with the maximum effort to contain the Coronavirus infection. For this reason any manufacturing and selling activity will be suspended until April, Friday 10th.

We feel confident that this is useful to shorten our journey toward the normality. That day will find everybody stronger than ever, with the joy to get our health, our jobs and our lives back.

 Framesi S.p.A.
